# Family Learning course information

**Our wide selection of activities are free for all the family and children from 0-11 years!**

## **Fun with Words**

Help with English homework, making spelling and writing fun through games and exercises.

## **Street Dance**

For those that want to get active, children from age 4+ can participate in street dance. Learn all the moves, make new friends and dance in a friendly and fun environment.

## **Healthy Eating on a Budget**

Prepare and create healthy and nourishing recipes, all within budget, with your family. Our food sessions can help you and your family keep healthy and maximise those nutrients!

## **Stories with Sarah**

Enchanting stories with accompanying music and objects to take your children and you on a magical journey.

## **Time Travelling Workshop**

Join us for an amazing journey back in time, where we'll visit famous historical people and places. With games and challenges, plus arts & crafts activities so you can make and take something home with you. This is an opportunity for your child to learn about the past in a fun and creative way. No previous time travel knowledge is necessary!
