

# *Where do see yourself in five years?*

## *We Can Help You Choose*

### Information and advice – choosing a course

We have a team of experienced staff who are able to give you information on a wide range of courses and help you choose the right one.

Course information sheets which give full information about each course are available from [www.hfals.co.uk](http://www.hfals.co.uk), ask at reception or call **0845 839 7912**.

*“Thank you so much for the information you have given me, it’s great because the more advice I got the better choices I was able to make”*

### Careers, educational, training and employment guidance

We have a fully qualified careers advisor who is able to offer advice and guidance on employment, education and training. Get help with:

- Choosing a course or college
- Applying to further or higher education
- Deciding on a career path
- Writing a CV and preparing for interview
- Finding out about jobs, voluntary work or training courses

Call **0845 839 7912** or ask at reception to book a confidential appointment with our careers advisor.

We will also be offering advice and guidance sessions on the following Saturdays:
